It's time to move, but I keep thinking...

- I don't know where to start.
- I don't have the energy.
- I don't know who to call.
- I don't know what to do with the stuff my family and I don't want.
- I don't want to be a burden.
- I want to do it myself with just a bit of help.
- Letting go of all my stuff is so difficult.
- There's so much to do and so little time to get it done.
- Am I doing the right thing?
